

# THE COMMUNITY PAGE

Melaleuca and its employees join with the citizens and city of Idaho Falls in honoring the many brave World War II Veterans who have served so valiantly to protect and retain our country's freedoms. Each day, the number of living servicemen and servicewomen from World War II decreases. Their valiant allegiance to America merits great admiration and appreciation. We salute these heroes and pay tribute to them this Independence Day.

This year's 31-minute Melaleuca Freedom Celebration is dedicated to their service and sacrifice, and to those who fell by their sides.
