## Paid for by Melaleuca: The Wellness Company® THE COMMUNITY PAGE Community Hits a Home Run!

Over the last several years, a number of citizens in our community came together to support the building of a new baseball field to keep the Chukars in Idaho Falls. Many of them supported this project with their pocketbooks and their time. Our thanks go to all of them. They are a testament to the great community in which we live.

Each plaque bears the name of a donor who gave more than \$5,000
