IT'S OUR TURN TO DO A GOOD TURN

*Help other people at all times.
Do a good turn daily.*

Ideals of the Boy Scout program that would serve all of us well.

But it isn't always easy to spot those who are in the greatest need. Even the most helpful Scout may struggle to find that one activity that will best leverage his desire to do good.

Except in October.

Every year as the seasons slip from summer into winter Boy Scouts visit most every doorstep in the Idaho Falls area. Their purpose? To collect nearly a half million donated food items. Food that will eventually make its way to families struggling right here in our own community. Families that would otherwise go hungry. Families in desperate need of a good turn.

But the Scouts can't do it without your help. Whether it's a box of macaroni and a can of peaches or your entire front stoop filled with simple, nonperishable groceries, every donation makes a considerable difference.

The distance from your pantry to your porch is short. But the impact it makes goes a very long way.

Please, as the Scouts come through your neighborhood next Saturday, don't leave them empty-handed. Show them that we stand with them in our desire—and ability—to do good turns daily.

Boy Scouts deliver food collected from the 2009 Scouting for Food Drive to the Idaho Falls Community Food Bank.
